

PALPUNG DHARMA CHAKRA

Dear Dharma Friends,

On behalf of Palpung Dharma Chakra, I would like to, first and foremost, wish you a very Happy Tibetan New Year. Losar Tashi Delek.

Palpung Dharma Chakra is a newly established organization based in France and under the blessing of the 12th Chamgon Kenting Tai Situpa, designed for preserving and transmitting Lord Buddha's teachings and in particular, organizing the 12th Chamgon Kenting Tai Situ Rinpoche's teaching schedule in Europe.

Over the years, various Dharma centers in Europe have been strongly requesting teachings from the 12th Chamgon Kenting Tai Situpa and we are very pleased to inform you that the 12th Chamgon Kenting Tai Situpa is scheduled to give a six-day teaching as requested by Palpung Dharma Chakra. The teaching will be held from the 16th to 21st of July 2019, on "How to be a true Dharma practitioner in today's challenging world." It will take place at Zmar Eco Experience in Odemira, Portugal and is open to anyone who is interested in the Dharma. We sincerely welcome you to join us for this wonderful event of the 12th Chamgon Kenting Tai Situpa's first teaching in Europe in twenty years.

Due to health concerns and other reasons, the 12th Chamgon Kenting Tai Situpa will not be able to visit individual centers during this trip. We therefore kindly ask for your understanding on this matter.

Teaching information and registration details will be announced publicly shortly. Meanwhile, if you have any inquiry, please feel free to contact us at titidolma@palpungdharmachakra.org or sharon@palpungdharmachakra.org.

Yours in the Sacred Dharma,

Thutop Rinpoche
